

## *In support: a Parade of cars, for Dan*

### ***What?***

**Recap:** In early June, our own Dan Ryan was the victim of a very serious life changing car crash. While he has made amazing progress in the past few months, he is still on a long road to recovery. That's where we come in.

Dan has been a supportive and long-term Straight Eights club member. And we wish to extend to Dan and husband Russ a version of our own healing car club support.

We will do a fellowship wellness parade of cars down their street in front of their home for Dan with something that we all have in common and brings us (and Dan) immense joy and pleasure, and that is our cars!.

First, we all will meet in a Church parking lot about two tenths of a mile from Dan and Russ's home. To add an extra layer of interest to our visit before the parade, we will do a short, caravan through a charming neighborhood on the way to Dan's Street (further entertaining the neighbors with our cars.) Easy instructions for the actual drive-by sequence will be shared at the Church lot.

**Note:** Due to the pandemic, and Dan's sequestered home recovery, their wishes at this time are - that no gifts, no thoughtful tokens, and no food etc are to be brought or dropped off at their home during our parade of cars.

Regarding lunch - plans for a socially safe (on-own) lunch afterwards would be at a simple nearby eatery. At the time of this email, a local eatery has not yet been determined. We can discuss in the Church lot beforehand.

This event is rain or shine. Spread the word. Fun props are welcome, Looking forward to seeing everyone there!
